Supply, Installation and Commissioning of GPU based High Performance Computing (HPC) Cluster at TIFR-TCIS, Hyderabad.

Annexure - A

Technical Queries and Clarification/Amendments

S.No	Query/Clarification Sought	Clarification/Amendment
1	Bidders requested to clarify the EMD amount mentioned (Amount in words) on page. no 1 and page. no 25	EMD amount - (Rs. 88,000/-) Eighty Eight Thousand Rupees only
2	One of the bidder requested to change the point no 1 of the prequalification criteria from OEM and Vendor to OEM or Bidders.	No Change in prequalification criteria point no.1 for the OEMs. If the OEMs are bidding through partners, who doesn't meet the prequalification criteria point no.1. Then, OEMs should directly take care of the installation and post installation warranty with both hardware & software support.
3	As bidders will do the benchmarking and bidding, bidders requested to change the point no 3 on page no 17 from OEM to Bidder or OEM.	Amended as follows OEM/Bidder is responsible for all performance bench marks and the quote should contain an undertaking certifying the same from the OEM/Bidder.
4	Bidders pointed out that as there is no infiniband switch and chassis in the bill of materials and requested to amend the last point of page no 16	Amended as follows Give all model numbers of master nodes, compute nodes, storage nodes, network switch model, and accelerator card details
5	Request to clarify on Matlab, Mathematica and all other commercial software mentioned in tender	All commercial simulation software installation asked by TIFR-TCIS will be provided by TIFR-TCIS. All the other software like OS, Scheduler, cluster tools should be open source community editions only.
