

# India Investigator Network Symposium

## HYDERABAD CHAPTER 2025 (IINSHC-2025)

The symposium aims to celebrate and connect the vibrant research landscape across the city's laboratories, encouraging partnerships through knowledge and resource sharing. We are proud to announce the 2025 symposium, jointly organized by the UoH – Biochemistry Department, TIFR Hyderabad, and CCMB. Focused on sharing cutting-edge research and strengthening the scientific community, the symposium invites participants to engage in meaningful networking and collaborative discussions.
