## "Scientists and Neglected Generations"

**Dr. R. S. Praveen Kumar**

**Date: 13 March, 2018**

**Time: 4:00 PM**

Dr. R. S. Praveen Kumar is an officer of the prestigious Indian Police Service (IPS) of 1995 batch. He served in both international and national environments. He showed exemplary leadership in resolving conflicts and maintaining law and order in sensitive regions of Telangana state and the erstwhile state of Andhra Pradesh. In a career spanning 22 years of police service, he held several important assignments with utmost sensitivity, prudence and exemplary courage. He has been instrumental in transforming and impacting the lives of 200,000 children from the most disadvantaged sections of the society. He voluntarily took up the role of Secretary of the TSWREIS (Telangana Social Welfare Residential Educational Institutions Society) and the TTWREIS (Telangana Tribal Welfare Residential Educational Institutions Society) and breathed new life into these Institutions by introducing various path-breaking programmes hitherto unheard of in the annals of the government education sector in India.

In this colloquium, he will be talking about why scientists must leave their laboratories and visit schools and communities.
