

Seminar

Science Technology Society education: An overview

Aswathy Raveendran

BITS-Pilani, Hyderabad

In this talk, I will briefly lay out the history as well as ideological and philosophical assumptions underpinning Science – Technology- Society and Environment (STSE) education in the international context as well as specific initiatives in India. I will locate my doctoral work, which was on socioscientific issues in science education within this overview and discuss future directions of work.

Tuesday, Jul 23rd 2019

4:00 PM (Tea/Coffee at 3:30 PM)

Auditorium, TIFR-H
