

**TATA INSTITUTE OF FUNDAMENTAL RESEARCH  
HYDERABAD**

Plot No.36/P, Gopanpally Village, Serilingampally Mandal, Ranga Reddy District.  
Hyderabad - 500 107, Telangana, India.

Telephone: +91-40-2020 3020  
Website: [www.tifrh.res.in](http://www.tifrh.res.in)

Email: [purchasegroup@tifrh.res.in](mailto:purchasegroup@tifrh.res.in)  
Date: 22-11-2022

**Notice Inviting Tender cum Tender Document (Two Part Public Tender)  
for the following items:**

**Supply, Installation and Commissioning of Smart Server Racks to TIFR  
Hyderabad.**

As per technical specifications in Annexure - A mentioned in the tender.

Public Tender No.	<b>TIFR/PD/CA22-19/22-23/M/019</b>
Published on	23-11-2022
Pre-Bid Meeting Date	01-12-2022 at 11.00 AM In Person at TIFR Hyderabad Campus
Tender Fees	Rs. 00 (USD 00)
Earnest Money Deposit	<b>Rs. 1,36,000/-</b>
Estimated Cost (Estimated cost up to TIFR, Hyderabad inclusive of all applicable charges)	<b>Rs. 68,00,000/-</b>
Last Date for Submission of Bid	<b>15-12-2022 up to 13.00 Hrs.</b>
Date of Opening Bids (Part A)	<b>15-12-2022 at 15.00 Hrs.</b>

**Both Technical Bid (Part A) and Financial Bid (Part B)** to be submitted within the due date and time in separate envelopes and marked on top as Part A and Part B. These two sealed envelopes should be further put in one Master Envelope super scribed with the Tender No., Due Date in Bold Letters.

The Bids should be addressed to the Administrative Officer, Tata Institute of Fundamental Research, Hyderabad, Plot No.36/P, Gopanpally Village, Serilingampally Mandal, Ranga Reddy District, Hyderabad- 500 107, Telangana, India.

TIFR Hyderabad reserves the right to accept/ reject any or all tenders either in part or in full without assigning any reasons there for.

Please see attached sheet for conditions of tender.

**Note: All future corrigendum/addendum will be published in CPPP/TIFR Hyderabad website only and no separate advertisement will be released for the same.**

**All prospective bidders are requested to visit our website regularly for any such updates/Corrigendum.**

**The Technical Bid received without payment of EMD/ documents for exemption of EMD shall be summarily rejected.**

The Pre-Bid Meeting for the said tender will be held in Person at TIFR Hyderabad Campus on 01-12-2022 at 11.00 AM. The bidders/contractors should provide Company Authorization Letter duly signed and stamped by Competent Authority to participate in the Pre-Bid Meeting at TIFR Hyderabad.

**ADMINISTRATIVE OFFICER  
(PURCHASE SECTION)  
TIFR, HYDERABAD**

# Supply, Installation and Commissioning of Smart Server Racks to TIFR Hyderabad

## Annexure - A

### Technical pre-qualification for the bidders

Mandatory requirements for a bidder to qualify as a participant in this tender:

S.No.	Technical pre-qualification criteria	Compliance Yes/No	Remarks
1.	<p>The OEM should have executed at least five projects using architecture and technologies similar to those being proposed in their quotation against this tender. In addition, the following condition should also be satisfied.</p> <ul style="list-style-type: none"> <li>● At least one installation of minimum 80% or</li> <li>● At least two installations of 60% or</li> <li>● At least three installations of 40% of the tender value</li> </ul> <p>Purchase order with final commissioning report with the mention of Data Center capacity in KW and architecture details duly signed by customer should be submitted with the technical bid.</p>		
2.	<p>The OEM should have minimum 10 years domestic experience in the supply, installation and commissioning of smart racks in India. They should have successfully executed the above mentioned projects in Serial no - 1 at Government/ Public/ Private Research organizations /institutions /Manufacturing industries performing scientific computation using High Performance Computing Clusters across the country.</p>		
3.	<p>All warranty and support must be serviced directly by the OEM. TIFR-H requires that there be a Single Point Of Contact (SPOC) from OEM/Vendor who is responsible for all issues between TIFR-H and the OEM.</p>		
4.	<p>Bidder should be either an Original Equipment Manufacturer (OEM) or should be authorized System Integrator Partner having back to back Support Agreement with the OEM. Manufacturer's Authorization Form (MAF) for participating in this tender is mandatory for bidders and should be attached along with technical bid.</p>		
5.	<p>The entire cooling solution, server rack and the rack monitoring system should be from the same OEM.</p>		
6.	<p>OEM should have a local service center in Hyderabad. Documentary proofs should be enclosed.</p>		

7.	The OEM must have an India based support infrastructure by maintaining a local spares depot in the country. This is to ensure immediate delivery of spare parts from OEM to its channel partner/system integrator.		
8.	The complete proposed solution must have an comprehensive onsite warranty of 5 years for all components quoted in the tender.		
9.	Products offered should have official OEM support for next three years from the date of acceptance of installation.		
10.	All quotations submitted must follow the prescribed format for technical compliance as in the document below. Failure to do will result in the quotation being summarily rejected.		
11.	One bidder can propose only one technical solution and the price bid for the same should be submitted. Quoting of multiple technical solutions with multiple price bids will result in the quotation being summarily rejected.		

## Scope of Work:

The scope of work includes the following,

The successful bidder should supply, install and commission the smart server racks solution mentioned below along with the fire suppression system in the first floor service building -2 data center of TIFR Hyderabad.

### Specifications of the site:

**1. Allocated physical space:** about 170 sq.ft (13.7 ft x 12.13 ft)

**2. Location of the building:** First floor, Service Building - 2.

**3. HVAC:** Closed loop cooling to optimize airflow management and space utilization in the Data Center. The cooling solution proposed must be chilled water based. TIFR-H has its own chilled water plant on campus. Chilled water will be provided at about 7.5 to 9 degrees from campus the chilled water facility. The chilled water tapping termination will be provided till the location of the data center. The bidder has to tap further from the given termination for the chilled water inlet and outlet of the cooling unit.

**4. Chilled water tapping and platform:** The bidder will be responsible for further plumbing works in the data center building.

Piping shall be of PPR/SS material with necessary fittings as per the site condition.

Bidders should check the inlet/outlet pressure for their cooling units and add booster pumps to maintain the pressure required for the proper functioning of their supplied smart rack solution at full load capacity, if necessary.

Bidders should fabricate and install the MS grill platform on top of the tapping for the comfortable rear access of the server and it should be removable for any maintenance works. Bidders can check the existing MS grill platforms installed in the data center during their site survey for reference.

## 5. Server Rack – 3 Nos

These racks will be used to mount and house all HPC infrastructure, server, network and storage devices in the data center. The rack has to be designed to meet all safety requirements of a modern data center. Both front and rear doors should have a handle with locking options. The rack should be suitable for buying to a high performance cooling rack. Cable entry provision should be via the roof plate and gland plate without affecting climatic conditions inside the rack. There will not be any false flooring provided for hosting these racks. So, bidders have raised the racks and cooling units above the ground level using server rack plinths and chilled water inlet and outlet piping to the racks has to be carried out on the floor with piping supports.

## Specifications of the server rack:

**Basic Structure:** Frame Of sturdy frame section construction. All profile edges are radiused. Removable top & Bottom cover with Cable entry provision. Frames should be bayable, scalable and modular.

- 3 Nos of 47U Server Rack with 47U usable space with the 800 W x 2200 H x 1500 D dimensions.
- Fitted with Front Glass door, & Rear Sheet Steel Door with locking system and handle
- Rack Design should support closed loop High performance cooling
- The door should be inter-changeable at site, at any point of time
- Side panel should be with PU gasket with screw fixing to avoid air leakage
- Side panel required only at the end of the row, on each side
- 19" angles front and back.
- Blanking panels for all racks
- Top cover with sliding cable entry
- Bottom cover with sliding cable entry
- Leveling feet
- Stationery shelf 1 No. per racks.
- Cable manager with PVC cable loops
- Horizontal Earthing Busbar per cabinet.
- Hardware pack of 20 (5 packs per rack)
- All Racks should be certified according to ISO 9001, 14001, 18001. Complying EIA 310, DIN 41494 and IEC 297 standards
- Load bearing capacity: 1400KG at Frame & 1000 Kgs on 19" mounting angles.
- Surface Finish: Nano Ceramic Coated, electro-dip coat primed to 20 microns and powder coated with textured polyester RAL 7035 to 80 to 120 microns.
- Rack should be capable of accommodating minimum of 2 Three Phase PDUs at the rear (4 PDUs preferred)
- 2 Nos of PDUs per rack - 63A 3 Phase input with single phase output Vertical (Ammeter/phase) Metered PDUs with minimum 24 Nos IEC 320 socket C13 Ports and 6 Nos of IEC 320 Socket C19 ports with required female and male 3 phase e-mobile sockets.

## 6. Cooling units – 2 Nos

- Bidder has to propose a high performance Chilled water based closed loop rack based cooling system.
- The Data Center should be equipped with Liquid Cooling System with an air/water heat exchanger to remove high levels of waste heat from server / network enclosures and to provide uniform, effective, affordable cooling for servers and similar IT equipment (switches etc) installed in Racks. Each liquid cooling system should be a closed loop cooling (CLC) system and cool either one or two IT Enclosures.

- The design of the unit should be optimized for use in data centers. The integrated air/water heat exchanger should guarantee a cooling output of up to 53 KW, combined with standard server/ network enclosure, the lowest possible weight and comprehensive possibilities for monitoring.
- The air/water heat exchanger should be mounted on the side of the Rack.
- The Closed Loop Cooling (CLC) unit should be integrated with the EC fan module (cooling output up to 10 KW from each fan module) & should achieve maximum efficiency and minimize the electrical energy consumption.
- The cooling/CLC unit should be installed with six fan modules which should enable the maximum cooling output of 53 KW.
- The flow characteristics of the CLC should be optimized for the minimum possible pressure loss on the air side. This in turn should minimize the energy consumption of the fans.
- The high-performance CLC should guarantee maximum cooling output even at high water inlet temperatures, enabling the proportion of operation in combination with indirect free cooling to be maximized and operating costs reduced accordingly.
- The CLC and Server Rack should be separated from each other. This eliminates the risk of water penetrating into the server rack and improves the ease of installation and service.
- The Condensate and leakage management should be integrated in the CLC Unit. The water connection to CLC should be realized optionally either from top or bottom by way of an accessory kit.
- The CLC should be integrated with the software/controller concept, which provides for automatic control of the specified server air intake temperature. The fan speed and cooling water flow rate should be infinitely variable for precise matching to the power losses of the components installed in the IT Rack.
- An intelligent sensor network should monitor the air and water temperatures, as well as the water flow rate and leakage management.
- The CLC should be incorporated with three temperature sensors for the hot and three temperature sensors for cold air (for redundancy).
- The CLC should be integrated with fail-safe mode, for furthermore ensures reliable cooling, even in case of failure of the electronics.
- The monitoring and alarm management for all physical parameters should be realized via SNMP and Ethernet. New control algorithms should permit energy-efficient operation and take into account the demands of facility management.
- The CLC should be integrated with an optical color touch screen to enable the display of all physical parameters of the unit.
- The fans of CLC units should be hot swappable at any time in a matter of seconds & also during operation (without shut down of unit). The temperature sensors in the water
- Inlet/return should also be integrated into thermo wells and should similarly be exchanged / replaced without interrupting operation.
- The width of the cooling unit should not be more than 300mm. Depth and height should be matched according to the quoted 47U server rack.

## 7. Safety, security & Monitoring System: 1 Set

The goals of safety & monitoring systems are to efficiently protect people, assets, data and the environment from the dangers and effects of fire, and to minimize material damages, loss of data, operational interruptions and the consequent loss of business.

- The system should monitor all IT racks for temperature and humidity, enclosures. The unit should be the central unit of the monitoring system up to 16 sensors can be connected.
- The unit should have TCP/IP connection to the data network via Ethernet, configured via Web / USB. The unit should send alarms via an email server and connect to the Network Management System of a company via SNMP/OPC
- Sufficient sensors for measuring the temperature, humidity, Water leakage Access in the contained and cooled areas of the server racks should be provided.
- Emergency automatic rear door opening kit in case of cooling failure/high temperature alarm must be provided.
- Fire Alarm and Fire Suppression System: The integrated infrastructure solution should be designed as a complete stand-alone unit with security, fire detection and fire suppression systems. Each of the systems is inter-operable and inter-connected.
- Bidders should check the existing available clean agent cylinder along with the actuator, sensors and required pipes available at TIFR-H during the mandatory site survey and furnish the remaining items in the bill of materials required to complete the fire suppression system.
- If the bidders cannot use their system to integrate the existing available clean agent and other materials, then they have to supply the clean agent.
- The supplied clean agent should be environmentally friendly. Clean agents should be used to ensure that no harm to human beings and the environment is caused.
- NFPA approved Clean Agent for fire suppression system
- Fire detection and alarm systems, with detectors and panels.
- Protected area: The entire volume of the server racks shall be protected with fire detection and fire suppression system. The doors should be secured by Access Control system
- The clean agent system shall be designed and installed as per NFPA latest Edition. SMPV, Petroleum and Safety Explosives Organization (PESO) approved cylinder filled with clean agent is installed.
- Surveillance: 2 Nos of 4 MP IR IP color CCTV camera with builtin storage for keeping the recording up to 14 days at the entrance and exit of the data center's primary and secondary door as per the user's instructions. All the accessories, required cabling for completing the setup should be considered and the same should be furnished in bill of materials.

**8. Warranty & Support:** Five years comprehensive hardware and software warranty for the entire smart rack solution proposed in this tender.

### **9. Installation and commissioning:**

Installation and commissioning includes

- Installation and testing of server racks and CLC units along with PDUs and the fire suppression system.
- Integration of new CLC, Racks, fire suppression systems, with the existing institute BMS system.
- Connecting and commissioning of chilled tapping to the CLCs and checking for leakages.
- Testing the CLC units for humidity and moisture control with 48 hours dry run test.
- Electrical input cables provided by TIFR-H for powering the CLCs and PDUs will be provided by TIFR-H. The bidder will be responsible for making endpoint tapping, connection and terminations for CLCs and PDUs.
- Bidder has to install and commission the CCTV cameras as per user requirement and instructions.

### **10. Terms and conditions:**

- Any item not specifically mentioned in the specification but is required for successful implementation of the solution (in the opinion of the vendor) must be brought to our notice and quoted accordingly.
- At the time of installation, if it is found that some additional items are required to meet the operational requirement of the configuration, but not included in the bidder's original list of deliverables, the bidder shall supply such items to ensure the completeness of the configuration at no extra cost.
- The vendor immediately after the award of the work shall prepare a detailed plan of installation as proposed to be followed by placement of the equipment, etc.
- All bidders participating in this tender must visit the TIFR-H site for a complete site survey and also meet with the TIFR-H IT team in the pre-bid meeting for detailed discussions and clarifications, if any.
- The installation should be done by experienced and trained data center engineers followed by comprehensive user training.
- Installation and integration of all supplied hardware and software shall be done by the OEM.
- All the model numbers/OEM part code of all the equipment/devices proposed should be provided with the technical bid.
- Itemized price list of each hardware item, software bundle, service and warranty to be given separately and clearly.
- Provide case logging procedure for service calls.
- The proposed smart rack cooling units, PDUs and other items proposed in the solution shall be tested at factory before delivery to check all the technical parameters as mentioned in technical specifications by the TIFR-H's Officer-in-charge or his representative. The boarding, loading and travel etc. of TIFR-H's Officer-in-charge or his representative will be arranged and borne by the supplier.

- TIFR-H requires that there be a Single Point of Contact (SPoC) directly from the OEM who is responsible for all issues between TIFR-H and the OEM/partner who executes this project.
- Bidders should provide complete documentation about the Rack layout, power, cooling and electrical infrastructure required at TIFR-H along with the technical bid.
- Delivery period will be 16 weeks from the date of purchase order. Once delivered to onsite, the installation, commissioning and acceptance testing period will be within 2 weeks from the date of delivery of equipment. Delay in delivery will have a penalty. TIFR-H reserves the right to cancel the order if it is not deployed even after that.
- Delay due to TIFR-H will not be considered for computing penalty.

**NOTE:**

**\* The bidder should ensure to submit the following along with Technical Bid (Part I)**

1. The bidder should attach the point-by-point technical specification provided in the tender in a tabulation format and fill the technical compliance (with additional remarks if any) along with the Technical Bid.
2. Bid Security / EMD (Earnest Money Deposit) as per tender.
3. Certificate of Local Content- Attachment of Annexure - B.
4. Audited Annual Turnover Certified by CA - Attachment of Annexure - C
5. Supplier Purchase Order details with copy document along with the bid Attachment of Annexure - D.
6. The suppliers/bidders should submit all the applicable list of documents/enclosures/annexures as mentioned in the tender along with the local content certificate filled form as per Annexure – B. The supplier should provide the local content details / local value addition details with the applicable value. TIFR Hyderabad reserves the right to reject any tender (or) all tenders if not submitted along with the documents/enclosures/annexures/certificate of local content.
7. Undertaking by the bidder as per Clause 14 of tender terms and conditions in letter head duly signed and stamped.
8. Undertaking for unconditional acceptance of tenders all terms and condition in letter head duly signed and stamped.

**\* Price Bid/Finance Bid (Part II) - As per Annexure – E.**

# **TATA INSTITUTE OF FUNDAMENTAL RESEARCH HYDERABAD**

**Plot No.36/P, Gopanpally Village, Serilingampally Mandal, Ranga Reddy District.  
Hyderabad - 500 107, Telangana, India.**

## **(PURCHASE SECTION)**

1. **PART “A” (Technical Bid) consisting of Technical Bid with Commercial Terms and PART “B” (Financial Bid) consisting of only Price** shall be submitted in **separate** sealed envelopes duly superscribed with the tender enquiry number, and the due date in bold letters, addressed to the Administrative Officer, Tata Institute of Fundamental Research, Hyderabad, Plot No.36/P, Gopanpally Village, Serilingampally Mandal, Ranga Reddy District. Hyderabad-500 107, Telangana, India. The envelopes should be clearly marked on top as either PART “A” or PART “B”.

The two sealed covers should be further put in a master cover superscribed with the Tender Enquiry No., Due Date in bold letters, addressed to the Purchase Officer, Tata Institute of Fundamental Research, Hyderabad, Plot No.36/P, Gopanpally Village, Serilingampally Mandal, Ranga Reddy District. Hyderabad-500 107, Telangana, India. The sealed master envelop has to be delivered by hand/courier at the security Gate Office of TIFR Hyderabad on or before 13.00 hrs. on the due date specified. The technical bid will be opened at 15.00 hrs. on the due date at Purchase Section, TIFR, Hyderabad. Tenders submitted after 13.00 hrs. on due date will not be considered.

2. **In case the PART “A” and Part “B” bids are not sealed in separate envelopes the tender will be rejected.**
3. The technical bid should not contain any indication of the price. The bidder should take special care not to mention anything related to pricing and costing aspect of whatsoever nature. The technical bid should include/contain only technical specifications, technical literature, drawing, quantity, manufacturing and delivery schedule, mode and terms of payment, mode of dispatch, the quantum and percentage of statutory levies payable by the purchaser as extra and all related commercial terms and conditions for the supply and for the services like erection and commissioning to be rendered by the tenderer. The details of the validity of the tender should also be indicated along with the commercial details.
4. After scrutiny of Technical Bids, Financial bids of only those bidders who are shortlisted on technical basis will be opened at on later date. The opening date, time and venue will be intimated to the technically successful bidder.
5. **All the bidders/contractors should provide Company Authorization Letter duly signed and stamped by Competent Authority to participate in the tender related meetings at TIFR Hyderabad.**
6. **Tender Fee:**

Tender fee of Rs. 00 (USD 00)

7. **Bid Security / EMD (Earnest Money Deposit):**

Earnest Money Deposit (EMD) for **Rs. 1,36,000/-** in the form of D.D. in favor of "Tata Institute of Fundamental Research", payable at Hyderabad to be enclosed along with the technical Bid (Part - A).

The Bid Security may be accepted in the form of Bank Guarantee from any of the Commercial Banks (or) Fixed Deposit Receipt (FDR) (or) Banker's Cheque from any of the Commercial Banks (or) Insurance Surety Bonds.

The Bid security should remain valid for a period of 45 days beyond the final bid validity period.

EMD shall be interest free and it will be refunded to the unsuccessful bidder without any interest. EMD will be forfeited if the bidder withdraws or amend impairs or derogates from the tender in any respect. The technical bid received without payment of EMD/ documents for exemption of EMD shall be summarily rejected.

8. The suppliers / bidders whose firms are registered with SSI / MSME / NSIC and having a valid certificate for claiming exemption as per privilege rules of Government of India are exempted from paying Tender Fee and EMD (Earnest Money Deposit).

9. **Eligibility Criteria:**

9.1 The invitation for bids is open to Original Manufactures (OEM)/Authorized Dealers/Authorized Distributors/Subsidiary Indian Company of the OEM/Indian Agent on behalf of the Foreign Manufacturer or Principals of the tendered equipment. The bidder must be legal entity having a Permanent Account Number (PAN), Certificate of Incorporation and valid GST Registration Certificate is to be submitted.

**9.2 The invitation is reserved only for Class "1" and Class "2" Local Suppliers as prescribed in "Public Procurement (Preference to Make in India) order 2017 of GOI, Dept of DIPP" (OM No. P-45021/2/2017-PP(BE-II) dated 04th June, 2020. Necessary certification for local content must be submitted by the prospective bidders strictly as per the Annexure- B attached with the tender document.**

9.3 When a firm sends quotation for an item manufactured by some different company, the firm is also required to attach its quotation, the manufacturer's authorization certificate.

9.4 Indian Agent cannot represent two different foreign principles for the same item in one tender.

9.5 Equipment's must be of the most recent series/models incorporating the latest improvements in design.

- 9.6 That the Bidder will assume total responsibility for fault free operation of equipment, application software, if any, and maintenance during the warranty period and provide necessary maintenance services after warranty period if required.

9.7 Bidders who meet the criteria given above are subject to be disqualified, if they have made untrue or false representation in the forms, statements and attachments submitted in proof of the qualification requirements or have a record of poor performance, not properly completing the contract, inordinate delays in completion or financial failure , etc.

9.8 Any additional bid participation criteria/eligibility conditions etc. mentioned in the Technical Specifications sheet will also form part of the Qualification Requirements along with those mentioned in this.

9.9 Bidders should not be associated, or have been associated in the past, directly or indirectly, with a firm or any of its affiliates which have been engaged by the Purchaser to provide consulting services for the preparation of the design, specifications, and other documents to be used for the procurement of the goods to be purchased under this invitation of Bids.

#### 10. Purchase Preference Policies.

10.1 The TIFR Hyderabad intends to give product reservation/purchase/price preference to local suppliers in line with current procurement policies of Govt. of India

10.2 For the above purpose, local supplier means a supplier or service provider whose product or service offered for procurement meets the minimum local content as prescribed in "Public Procurement (Preference to Make in India) order 2017 of GOI, Dept of DIPP" (OM No. P-45021/2/2017-PP(BE-II) dated 04th June,2020. Necessary certification for local content must be submitted by the prospective bidders strictly as per the Annexure - B attached with the tender document.

10.3 Local content means the amount of value added in India which shall, unless otherwise prescribed by the Nodal Ministry, be the total value of the items procured (excluding net domestic indirect taxes) minus the value of imported content in the item (including all customs duties) as a proportion of the total value, in percent.

11. Bidders who have not accepted the job/order awarded to them or withdrawn from the tender process OR whose EMD/Security deposit has been forfeited in the past, their bids will not be considered and treated as ineligible / disqualified.

12. Bidders may provide the details of registration at Government e -Marketplace (GeM) product details, confirmation on the product availability (or) non availability in GeM, registered bidder at GeM (or) not.

#### 13. Micro and Small Enterprises (MSEs):

Micro and Small Enterprises (MSE) must, along with their offer, provide proof of their being registered as MSE (indicating the terminal validity date of their registration) for the item tendered, with any agency mentioned in the notification of the Ministry of Micro, Small and Medium Enterprises (Ministry of MSME).

The MSEs are exempted from payment of earnest money and tender fees subject to furnishing of relevant valid certificate for claiming exemption as per privilege rules of Government of India.

The bidder submits registration of Udyog Aadhar Memorandum (UAM) by Ministry of Micro Small and Medium Enterprises (MSME) vendors on Central Public Procurement Portal (CPPP). The bidders who fail to submit UAM number shall not be able to avail the benefits available to MSEs as contained in Public Procurement Policy for MSEs Order 2012 issued by MSME and further applicable Notification / Rule amended from time to time.

14. Requirement from Bidders: Any bidder from a country which shares a land border with India will be eligible to bid in any procurement whether of goods, services (including consultancy services and non-consultancy services) or works (including turnkey projects) only if the bidder is registered with the Competent Authority as per order issued by the Government of India (Order No. F.No.6/18/2019-PPD) dated 23rd July, 2020.

"Bidder" means any person or firm or company, including any member of consortium or joint venture (that is an association of several persons, or firms or companies), every artificial juridical person not falling in any of the descriptions of bidders stated herein before, including any agency branch or office controlled by such person, participating in a procurement process.

Necessary certificate/undertaking to be submitted.

15. Quotations must be valid for a period of 180 days from the date of opening the bid prescribed by the Purchaser. A bid valid for a shorter period may be rejected by the Purchaser as non-responsive.

16. Tenders containing correction, overwriting will not be considered. Late or delayed/Unsolicited quotations/offers shall not be considered at all. These will be returned to the firms as it is. Post tender revisions/corrections shall also not be considered.

17. Tenderer should sign on all the pages of the technical bid and the price bid.

18. All future corrigendum will be published in CPPP/TIFR Hyderabad website only and no separate advertisement will be released for the same.

All prospective bidders are requested to visit our website regularly for any such updates / Corrigendum. The Purchaser reserves the right to reject the bids if the bids are submitted without taking into account these amendments/clarifications. In order to allow prospective bidders reasonable time in which to take the amendment into account in preparing their bids, the Purchaser, at its discretion, may extend the deadline for the submission of bids.

19. For Indigenous Items: Offer should be on FOR basis and mentioned separately using different table format showing all the applicable taxes/Duties like GST, Freight & Transportation charges and installation charges etc.

20. The price quoted for Import item must be on following basis:

- a. Ex-Work/factory duly packed airworthy/seaworthy and of international standard
- b. FOB/FCA
- c. CIF Hyderabad, Airport Port (all-inclusive i.e. Cost of Goods, Packing, Insurance, Inland transportation, freight etc.)

For local item /supply, offer should be on FOR basis (i.e. total landed cost for delivery at

TIFR Hyderabad).

The dimension of the item (viz. H, W, L, weight etc.) shall be specifically stated and also mention whether the mode of shipping the item is Airworthiness / Seaworthiness or both. Accordingly the mode of shipment will be decided by TIFR Hyderabad.

**Price must be quoted strictly in the Price Bid Format attached herewith as "Part -B" (Financial Bid).**

**21. Packing:**

21.1 The Supplier shall provide packing of the Goods as is required to prevent their damage or deterioration during transit to their final destination as indicated in the Contract. The packing shall be sufficient to withstand, without limitation, rough handling during transit and exposure to extreme temperatures, salt and precipitation during transit and open storage. Packing case size and weights shall take into consideration, where appropriate, the remoteness of the Goods' final destination and the absence of heavy handling facilities at all points in transit.

21.2 The packing, marking and documentation within and outside the packages shall comply strictly with such special requirements as shall be provided for in the Contract including additional requirements, if any and in any subsequent instructions ordered by the Purchaser.

21.3 Packing Instructions: Each package will be marked on three sides with proper paint/indelible ink, the following:

- (i) Item Nomenclature
- (ii) Order/Contract No.
- (iii) Country of Origin of Goods
- (iv) Supplier's Name and Address
- (v) Packing list reference number

**22. Insurance:**

22.1 The Goods supplied under the Contract shall be fully insured against loss or damage incidental to manufacture or acquisition, transportation, storage and delivery.

22.2 For delivery of goods at the purchaser's premises, the insurance shall be obtained by the Supplier in an amount equal to 110% of the value of the goods from "Warehouse to warehouse" ( Final destinations) on " All Risks" The Insurance shall be valid for a period of not less three months after installation and commissioning. However, in case of orders placed on EX-Works/FOB/FCA basis, the purchaser shall arrange insurance.

**23. Delivery and Documents:**

23.1 Delivery of the Goods shall be made by the Supplier in accordance with the terms specified by the Purchaser in the order within the period. The details of shipping and/or other documents to be furnished the supplier are specified in 23.2.

23.2 Delivery period (As stated in technical specifications).

The delivery is to be strictly made as per the delivery schedule stated in the Purchase Order.

The following documents are to be forwarded earlier to TIFR Hyderabad through email to [purchasegroup@tifrh.res.in](mailto:purchasegroup@tifrh.res.in) prior to 48 hours before dispatch of material.

- i) Supplier Invoice showing Purchase Order Number, goods' description, quantity, unit price, Total amount.
- ii) Packing List
- iii) Airway Bill/ Acknowledgement of receipt of goods from the consignee(s) by the Transport with item wise weight, unit of measurement, No of package, package size/Dimension.
- iv) Insurance Certificate if applicable.
- v) Manufacturer's / Supplier's warranty certificate.
- vi) Inspection Certificate issued by the nominated inspection agency, if any, and Certificate of Origin.
- vii) Country of Origin Certificate. (if applicable)
- viii) Product Catalogue/Brochure.

24. The Institute shall be under no obligation to accept the lowest or any other tender received in response to this tender notice and shall be entitled to reject any tender without assigning any reason whatsoever.

25. Order Acceptance: The successful bidder should submit acceptance of Purchase Order immediately (within 15 days) from the date of issue of the Purchase Order failing which it shall be presumed that the vendor is not interested.

The Bidder should submit the order acknowledgement, (details for opening L/C and documents if applicable) and documents if any to purchase section within 15 days from the date of issue of purchase order.

For LC payment, the LC will be opened as per purchase order terms and conditions only. The supplier should ensure to deliver and complete the installation as per purchase order terms and conditions within LC validity period. In case of any delay in supply or installation or submission of required documents due to the supplier for LC payment, any applicable charges to be borne by the supplier only.

Any discrepancy like delay in supply/ short supply/delay in installation etc., TIFR Hyderabad has right not to process the payment in case of any such discrepancy.

26. **Performance Security:** The Successful bidder should deposit @ 3% of Purchase Order value as Performance Security. The Performance Security should be in the form of Demand Draft in favour of "Tata Institute of Fundamental Research" payable at Hyderabad from any of the Commercial Banks (or) Bank Guarantee from any of the Commercial Banks (or) Fixed Deposit Receipt (FDR) (or) Insurance Surety Bonds. The Performance Security @ 3% should be valid for a period of 60 days beyond the date of completion of all contractual obligations of the supplier including warranty period. In case Performance Security @ 3% is not provided, then 97% payment only would be released and balance after 60 days beyond the date of completion of all contractual obligations of the supplier including warranty period. Vendor should clearly mention their acceptance to this effect in their quote.

27. **Payment Terms for Import Items:** 100% Letter of Credit will be opened. 80% payment shall be made through irrevocable L/C on presentation and receipt of complete, clear shipping documents and balance 20% of the amount shall be released through irrevocable letter of credit after successful installation and acceptance of the equipment certified by purchaser and on submission of "Performance Security" for an amount equivalent to 3% of the Purchase Order Value.

In case Performance Security @ 3% is not provided, then 97% payment only would be released and balance after 60 days beyond the date of completion of all contractual obligations of the supplier including warranty period.

28. **Payment Terms for Indigenous Items:** 100% payment shall be released after receipt of complete material as per purchase order in a single lot, successful installation and acceptance of the equipment at TIFR Hyderabad and on submission of BG @ 3% of the Purchase Order Value.

In case Performance Security @ 3% is not provided, then 97% payment only would be released and balance after 60 days beyond the date of completion of all contractual obligations of the supplier including warranty period.

29. Partial shipment for foreign bids / Partial delivery of material for full INR bids will not be accepted by TIFR Hyderabad.

30. **Pre Inspection Report:** The successful bidder should submit the Pre Inspection Report / Manufacturer's Test Certificate with data sheet to TIFR Hyderabad before dispatch of the material at no extra cost to the purchaser. (if required by TIFR Hyderabad).

31. Partial Shipments are not allowed.

32. Repair / replacement if required any during the warranty period, necessary customs clearance charges / customs duty charges, freight charges for sending back the repair material to supplier and import freight charges of replacement should be borne by the supplier.

33. For Import cases: No Agency commission will be paid as per Govt. of India rules.

34. All bank charges outside India will be to supplier's account only.

35. TIFR Hyderabad is a Public Funded Research Institute. The exemption of Customs Duty under the notification No. 51/96 dated 23.07.1996 and amended time to time will be applicable.

GST with effect from 01.07.2017 and amended time to time will be applicable. The applicable TDS / other charges if any as per GST rule will be deducted as per new GST regime.

TIFR Hyderabad GST NO: 36AAATT3951F2ZG.

Deduction of Indian Income Tax Deduction at Source: The Deduction of Indian Income Tax Deduction at source (TDS) will be deducted as per IT Act. The taxes at the time of actual utilization of service etc. will be deducted if applicable any.

Supplier shall be entirely responsible for all taxes, duties, license fees, road permits, etc., incurred until delivery of the contracted Goods to the purchaser. However, GST in respect of the transaction between the Purchaser and the Supplier shall be payable as agreed, if so stipulated in the order.

36. Conversion to Single Currency: To facilitate evaluation and comparison, the Purchaser will convert all bid prices are payable to Indian Rupees established by any bank in India as notified in the Newspapers/banks website on the date of Price/Finance Bid Opening.

37. Evaluation & Comparison of Bids:

37.1 For the bids qualifying for the technical evaluation which have been found to be responsive the evaluation & comparison shall be made as under:

(i) Indigenous Offers: The final landed cost of purchase after all discounts, freight, forwarding, insurance (warehouse to warehouse), custom clearing charges taxes etc. shall be the basis of evaluation.

(ii) Imported Offers:

The CIP/CIF price shall be the basis of evaluation (warehouse to warehouse basis)

(iii) Imported Vs. Indigenous Offers:

The final landed cost (warehouse to warehouse) of purchase taking into account, freight, forwarding, insurance, taxes etc. (CIF/CIP with custom duty, customs clearance charges, Bank/LC charges, transportation, delivery up to the site of installation at TIFR Hyderabad as per available records with TIFR Hyderabad for imported goods) shall be the basis of evaluation.

37.2 Conditional tenders/discounts etc. shall not be accepted. Rates quoted without attached conditions (viz. Discount shaving linkages to quantity, payment terms etc.) will only be considered for evaluation purpose. Thus conditional discounted rates linked to quantities and prompt/advance payment etc., will be ignored for determining inter-se position. The Purchaser however reserves the right to use the discounted rate/rates considered workable and appropriate for counter offer to the successful tenderers.

38. Contacting the Purchaser: Any attempt by any Bidder to influence the Purchaser in its decisions on bid evaluation, bid comparison or contract award may result in rejection of the bid.

39. Purchaser's Right to Vary Quantities at Time of Award: The Purchaser reserves the right at the time of contract award to increase or decrease the quantity of goods and services originally specified in the schedule of Requirements without any change in unit price or other terms and conditions.

40. Purchaser's Right to Accept Any Bid and to Reject Any or All Bids.

40.1 The Purchaser reserves the right to accept or reject any bid, and to annul the bidding process and reject all bids at any time prior to award of contract without there by incurring any liability to the affected Bidder or bidders or any obligation to inform the affected Bidder or bidders of the grounds for the Purchaser's action.

40.2 Evidence regarding credibility of stable performance and maintenance service capability must be provided. The purchaser reserves the right to make judgment on this and reject bids that, in the purchaser's view, do not carry sufficient credibility for performance and/or service.

41. Training:

41.1 The Supplier is required to train designated Purchaser's technical and end user personnel to enable them to effectively operate the total equipment.

41.2 The training shall be initially carried out during installation & commissioning for operating and maintaining the system. The specific training on application shall also to be imparted by the supplier. The duration of such training need to be finalized with the end user of the equipment. The supplier has to provide complete training at site for operation (including trouble shooting) of the instrument.

41.3 In case any supplier is not willing to impart such training, the bid shall be treated as non- responsive.

42. Bidders, please provide the PAN No., Bank Details, email ID, Contact person details, GST No etc.

43. The Supplier shall arrange to ship the ordered materials within the mutually agreed delivery period mentioned in the order unless extended with/without penalty. Please mention the Delivery Period Clearly in the Bid, however effort to be taken to deliver the materials at the earliest.

In case of delay in supply on part of the supplier, a penalty @0.5% per week of order value will be charged for delayed period subject to a maximum of 10% order value.

If the delay in the shipment of the ordered materials attributable to the supplier exceeds agreed time period from the date of original agreed upon date of shipment and extended with/without penalty, the TIFR Hyderabad shall have the right to cancel the contract / purchase order and recover the liquidated damages from other dues of the party or by legal means. It will also affect the other/future business dealings with such suppliers.

The same rate of penalty shall be applicable for late installation of the equipment/instrument also.

44. Warranty :

The supplier warrants that the Goods supplied under this contract are new, unused, of the most recent or current models and those they incorporate all recent improvements in design

and materials, unless provided otherwise in the contract. The supplier further warrants that all Goods supplied under this contract shall have no defect arising from manufacturing, design, materials or workmanship (except when the design and /or materials is required by the Purchaser's Specification) or from any act or omission of the supplier, that may develop under normal use of the supplied Goods in the conditions prevailing in the country of final destination.

This warranty shall remain valid (As stated in technical specifications) after the Goods or any portion thereof as the case maybe, have been delivered, installed & commissioned and accepted at the final destination indicated in the contract.

Warranty period shall be (As stated in technical specifications) from date of successful installation of equipment. The Supplier shall, in addition, comply with the performance and/or consumption guarantees specified under the contract. If for reasons attributable to the Supplier, these guarantees are not attained in whole or in part, the Supplier's discretion shall apply making such changes, modifications, and/or additions to the Goods or any part thereof as may be necessary in order to attain the contractual guarantees specified in the contract at supplier own cost and expense and to carry out further performance tests.

If during the period of warranty any component or spare part is needed to be imported, all associated cost for replacement shall be borne by the supplier including the cost of customs duty, customs clearance charges etc.

45. COMMENCEMENT OF WARRANTY PERIOD: The warranty period of an item shall commence from the date of receipt of the item in good working condition and satisfactory installation /demonstration at the project site.

46. Specifications are basic essence of the product. It must be ensured that the offers must be strictly as per our specifications. At the same time it must be kept in mind that merely copying our specifications in the quotation shall not make the parties eligible for consideration of the quotation. A quotation has to be supported with the printed technical leaflet / literature of the quoted model of the item by the quoting party/manufacturer.

47. Supplier Integrity: The Supplier is responsible for and obliged to conduct all contracted activities in accordance with the Contract using state of the art methods and economic principles and exercising all means available to achieve the performance specified in the contract.

48. Force Majeure :

The Supplier shall not be liable for forfeiture of its performance security, liquidated damages or termination for default, if and to the extent that, it's delay in performance or other failure to perform its obligations under the Contract is the result of an event of Force Majeure.

For purposes of this Clause, "Force Majeure" means an event beyond the control of Supplier and not involving the Supplier's fault or negligence and not foreseeable. Such events may include, but are not limited to, acts of the Purchaser either in its sovereign or contractual capacity, wars or revolutions, fires, floods, epidemics, quarantine restrictions, act of God and freight embargoes.

#### 49. Termination for Default

49.1 The Purchaser may, without prejudice to any other remedy for breach of contract, by written notice of default sent to the Supplier, terminate the Contract in whole or part:

- (i) If the Supplier fails to deliver any or all of the Goods within the period(s) specified in the order, or within any extension thereof granted by the Purchaser.
- (ii) If the Supplier fails to perform any other obligation(s) under the Contract.
- (iii) If the Supplier, in the judgment of the Purchaser has engaged in corrupt or fraudulent practices in competing for or in executing the Contract.

49.2 For the purpose of this Clause:

- (i) "Corrupt practice" means the offering, giving, receiving or soliciting of gratification to influence the action of a public official(s) in the procurement process or in contract execution.
- (ii) "Fraudulent practice" means a misrepresentation of facts in order to influence a procurement process or the execution of a contract to the detriment of the purchase, and includes collusive practice among Bidders (prior to or after bid submission) designed to establish bid prices at artificial non-competitive levels and to deprive the purchaser of the benefits of free and open competition;"

#### 50. Resolution of Disputes:

The Purchaser and the supplier shall make every effort to resolve amicably by direct informal negotiation any disagreement or dispute arising between them under or in connection with the contract.

If, after thirty (30) days from commencement of such informal negotiations, the Purchaser and the Supplier have been unable to resolve amicably a contractual dispute, either party may require that the dispute be referred for resolution to the formal mechanisms. These mechanisms may include, but are not limited to, conciliation mediated by a third party, adjudication in an agreed national (or) international forum, and national or international arbitration.

In case of Dispute or difference arising between the Purchaser and domestic supplier relating to any matter arising out of or connected with this agreement, such disputes or difference shall be settled in accordance with the Indian Arbitration & Conciliation Act, 1996, the rules there under and any statutory modifications or re-enactments thereof shall apply to the arbitration proceedings. The dispute shall be referred to the Director TIFR Hyderabad and if he is unable or unwilling to act, to the sole arbitration of some other person appointed by him willing to act as such Arbitrator. The award of arbitrator so appointed shall be final, conclusive and binding on all parties to this order.

In the case of dispute between the purchaser and Foreign Supplier, the dispute shall be settled by arbitration in accordance with provision of sub clause above. But if this is not acceptable to the supplier then the dispute shall be settled in accordance with provisions of UNCITRAL (United Nations Commission on International Trade Law) Arbitration Rules.

51. TIFR Hyderabad reserves the right to ask for or to provide any clarification, changes after the release of this tender. Any changes or clarifications provided by TIFR, Hyderabad may be checked at TIFR Hyderabad website: <https://www.tifrh.res.in/index.php/commercial-tenders>
