तारीख /Date: 31-07-2026

Notice Inviting Tender cum Tender Document (**Two Part Public Tender**) for the
following items:

**Supply, Installation and Commissioning of High Performance
Computing Cluster (HPCC) at TIFR Hyderabad.**

As per technical specifications in Annexure A,B & C.

निविदा संख्या / Tender Ref. No.	TIFR/PD/CA26-03/M/03
प्रकाशन की लतिल / Date of Publishing	31-07-2026
प्री-लबड मीलटिंग की लतिल / Pre-Bid Meeting Date	07-08-2026 at 11:00 Hrs. TIFR Hyderabad will be conducting the Pre-bid Meeting through the following Join Zoom Meeting https://tifrh-res-in.zoom.us/j/91973057119?pwd=RiIk8HSELxct7XobpuDNe2zlo0gHOJ.1 Meeting ID: 919 7305 7119 Passcode: 717582 All prospective bidders are requested to attend the Pre-Bid Meeting for any clarifications.
लनलवदा शुल्क/ Tender Fees	Rs. 00 (USD 00)
ईएमडी / EMD (Earnest Money Deposit)	Rs.5,00,000.00
अनुमालनत मूल्य / Estimated Cost (Estimated cost up to TIFR, Hyderabad premises inclusive of all applicable charges, taxes, duties etc.)	Rs. 7,50,00,000.00
बोली जमा करने की अंतिम तिथि / Last Date for Submission of Bid	21-08-2026 upto 13.00 Hrs.
बोलियाँ खोलने की तिथि (भाग ए)/ Date of Opening Bids (Part A)	21-08-2026 at 15.00 Hrs.

निविदा सीलबंद लिफाफे में जमा की जानी चाहिए। लिफाफे के ऊपर मोटे अक्षरों में निविदा संख्या, अंतिम तिथि लिखी होनी चाहिए

Tender should be submitted in sealed enveloped super scribed with the Tender No., Due Date in Bold Letters.

अधिक जानकारी, विशेष विवरणों, नियमों और शर्तों आदि के लिए कृपया हमारी वेबसाइट पर जाएँ:

For more information, specifications, terms and conditions etc., please visit our website:
<https://www.tifrh.res.in/tender/>

पूर्व-बोली बैठक ऑनलाइन आयोजित की जाएगी। बोलीकर्ताओं से अनुरोध है कि वे पूर्व-बोली बैठक ज़ूम लिंक के लिए टीआईएफआर हैदराबाद वेबसाइट निविदा पृष्ठ देखें। बोलीकर्ता, टीआईएफआर, हैदराबाद परिसर में निर्धारित तिथि और समय पर भी बैठक में शामिल हो सकते हैं।

Pre- Bid meeting will be conducted through online. Bidders are requested to refer TIFR Hyderabad website tender page for pre-bid meeting zoom link. Bidder may also join the meeting on scheduled date and time at TIFR, Hyderabad premises.

नोट : भविष्य में सभी शुद्धिपत्र / परिशिष्ट आदि को टीआईएफआर हैदराबाद वेबसाइट / सीपीपीपी में प्रकाशित किया जाएगा।

Note: All future corrigendum/addendum will be published in TIFR Hyderabad Website / CPPP

सभी संभावित बोलीकर्ताओं से निवेदन है कि किसी भी नवीन सूचना / शुद्धिपत्र के लिए हमारी वेबसाइट को नियमित रूप से देखें।

All prospective bidders are requested to visit our website regularly for any such updates/Corrigendum.

**Head, Administration & Finance
TIFR Hyderabad**

Annexure – A

Supply, Installation and Commissioning of High Performance Computing Cluster (HPCC) at TIFR Hyderabad.

Technical pre-qualification for the bidders

Mandatory requirements for a bidder to qualify as a participant in this tender:

S.No	Technical Pre-Qualification Criteria	Compliance Yes / No	Remarks
1.	The bidders should have executed successful installations at Government/ Public/ Private Research organizations /institutions /Manufacturing industries using architecture and technologies to those being proposed in their quotation against this tender across the country. In addition, the following condition should also be satisfied. • At least one installation of minimum 80% or • At least two installations of each 60% or • At least three installations of each 40% of the tender value Purchase order with final commissioning report with the mention of compute architecture details duly signed by customer should be submitted with the technical bid. The contact details of the customer's technical person should be provided. TIFR-H may independently contact them to verify the claim.		
2.	All warranty and support must be serviced directly by the OEM or should be from an authorized System Integrator Partner who is authorized to Support the product quoted. TIFR-H requires that there be a Single Point of Contact (SPOC) from OEM and bidder who is responsible for all issues between TIFR-H and the OEM.		
3.	Bidder should be either an Original Equipment Manufacturer (OEM) or should be authorized System Integrator Partner having back to back Support Agreement with the OEM. Manufacturer's Authorization Form (MAF) for participating in this tender is		

	mandatory for bidders and should be attached along with technical bid. The Bidder participating in the tender process should give the MAF confirming the bidder's authorization to participate in the tender with tender number and details.		
4.	The Bidder and OEM should have a registered office in India and the bidder/OEM should have service center with L1/L2 engineers stationed at Hyderabad in the relevant field of quoted item. Documentary proofs for the same should be enclosed.		
5.	Hardware and software warranty support requests to be handled and serviced directly by OEM/Bidder. OEM/Bidder should have required critical spares at local service center.		
6.	The complete proposed solution must have all encompassing comprehensive onsite warranty of 5 years duration which includes hardware, software, firmware, software updates, etc., If the hardware replacement process takes more than two days, the bidder/OEM should provide a standby hardware till the replacement is made.		
7.	Products offered should have official OEM support for next five years from the date of acceptance of installation.		
8.	All quotations submitted must follow the prescribed format for technical compliance as in the document below. Failure to do will result in the quotation being summarily rejected. Soft copy of the technical bid document in excel format should also be submitted.		
9.	One bidder can propose only one technical solution and the price bid for the same should be submitted. Quoting multiple technical solutions with multiple price bids will result in the quotation being summarily rejected.		
10.	The complete hardware should be factory integrated and tested at the OEM factory. Any alteration in a configuration outside the OEM factory is not allowed.		

Annexure – B

TECHNICAL QUALIFYING CRITERIA

a) For technical bid

The OEM/bidder shall mandatorily execute the listed benchmark programs on 1-node configurations of the proposed solution. For 2-node, 4-node and fully offered solution configurations, either direct benchmark execution or extrapolated outputs must be provided.

It is not necessary to run the benchmark codes on the exact processor quoted in the tender; however, the submitted results must be consistent with the performance of the offered solution and will be validated during the acceptance test. The maximum allowable deviation between extrapolated results and acceptance test outcomes shall not exceed 3%.

Benchmark results, including TFLOP values and core counts (where applicable), must be compiled into an output file and enclosed with the technical bid.

- High Performance Linpack (HPL) benchmark results for the single node configuration should be provided and the same will be considered for technical evaluation.

Note: HPL should be run using latest open source compilers. Other commercial compilers or any code optimizations are not allowed for benchmarking.

Provide read-only output of the above benchmark on DVD/CD along with the bid. Do not provide the print out of the outputs. Proposals of vendors who do not fulfill the above criteria or who fail to submit documentary proof would be rejected.

b) Acceptance test

As a part of acceptance test, the bidder should run the following benchmarks on the offered solution and results of the same should be submitted.

- Applications for Benchmark – HPL, LAMMPS, P3DFFT, GROMACS. (<https://www.tifrh.res.in/webdata/documents/events/tenders/2024/mar/bm2024.zip>)
- Open source fio and IOR/IOZone benchmarks must be used to demonstrate aggregate performance of the storage system. They must be run with many to one distribution of large sequential, random read and write of 1MB I/O block size.

Annexure – C

Scope of Work

Scope of work includes the following:

Technical Specifications

Supply, Installation and Commissioning of a High Performance Computing Cluster (HPCC) as per the specifications below.

Specifications of the High Performance Computing cluster					
Mandatory Clause					
1. All the hardware and software deployment will be in vendor's scope of work and vendors need to install open source software required by the end user at the time of deployment.					
2. The entire computer nodes must be factory integrated, tested, validated and certified in the bidder/OEM site. No on-site or local assembling of the system at TIFR-H site is allowed. Only rack-mounting, OS and application installation is allowed on-site.					
Mandatory items					
Computer Hardware			Make/Model/Remark to be filled by the Vendor		
S.No	Description	Qty	Make & Model	Compliance Yes/No	Remarks
1	Login Node	1			
Master node should have minimum 16 AMD EPYC 3rd generation CPU Cores or higher with minimum base clock speed of 2.4 GHz or better. The processors Must have Native support of AVX 256 instructions or better. Along with CPU specifications, the node should have the following configurations or better					
	CPU Details				
	Memory Details – 256 GB DDR4 ECC RAM in a fully balanced configuration with populating all DIMM slots to its fully available bandwidth. Memory speed – Maximum memory speed supported by the quoted CPUs.				
	2 x 120 GB Enterprise M.2/SATA SSD configured in RAID 1				
	Minimum 2 x 1 Gbps Ethernet ports to connect to TIFR-H LAN. Required accessories also to be quoted for connecting to the LAN.				
	2 x 10 G SFP+ ports with multimode modules				
	IPMI 2.0 or equivalent Support with KVM and Media over LAN features. Must include any licenses, if required for using these features				
	Form factor - 2U or better full width server form factor with sliding rack mount kit and peripherals				
	80 Plus platinum or better redundant power supply				

	with IEC C13 to IEC C14 cables				
	Dual-Port 100GbE QSFP28 PCIe Gen4 Ethernet Adapter with RoCE v2, RDMA, SR-IOV and Linux driver support.				
2	Master Node	1			
Master node should have minimum 16 AMD EPYC 3rd generation CPU Cores or higher with minimum base clock speed of 2.4 GHz or better. The processors Must have Native support of AVX 256 instructions or better. Along with CPU specifications, the node should have the following configurations or better					
	CPU Details				
	Memory Details – 128 GB DDR4 ECC RAM in a fully balanced configuration with populating all DIMM slots to its fully available bandwidth. Memory speed – Maximum memory speed supported by the quoted CPUs.				
	2 x 960 GB Enterprise SATA SSD configured in RAID 1 with one hot spare				
	2 x 3.84 TB Enterprise SATA SSD configured in RAID 1				
	2 x 1 G Ethernet Ports				
	2 x 10 G SFP+ Ports with SC-LC Multi mode modules				
	IPMI 2.0 or equivalent Support with KVM and Media over LAN features. Must include any licenses, if required for using these features				
	Form factor - 2U or better full width server form factor with sliding rack mount kit and peripherals				
	Dual-Port 100GbE QSFP28 PCIe Gen4 Ethernet Adapter with RoCE v2, RDMA, SR-IOV and Linux driver support.				
	80 Plus platinum or better redundant power supply with IEC C13 to IEC C14 cables				
3	Compute Nodes	20 Nos			
Each compute nodes should have minimum 256 or better AMD EPYC 4th generation CPU Cores or higher with a minimum base clock speed of 2.25 GHz or better. The processors Must have Native support of AVX 256 instructions or better. Each node should have a memory of minimum 512 GB DDR4 ECC RAM or better. RAM speed should be the maximum memory speed supported by the quoted CPUs. The bidders should run linpack across all nodes for 24 hours and submit the results as a part of commissioning. Along with the CPU ratings, the nodes should have the following configurations or better.					
	CPU Details				
	Memory Details				
	1 x 120 GB Enterprise M.2 PCIE Gen4 SSD for operating System.				
	2 x 1 G Ethernet Ports				
	1 x IPMI 2.0 or equivalent with KVM and media over LAN features				
	Preferred Form factor - The maximum allowed form				

	factor is 2U chassis with full width servers in a chassis with sliding rack mount kit				
	80 Plus platinum or better dual (preferably redundant) power supply with required IEC C13 to IEC C14 cables.				
	Dual-Port 100GbE QSFP28 PCIe Gen4 Ethernet Adapter with RoCE v2, RDMA, SR-IOV and Linux driver support.				
4	Dual controller ZFS compute Servers and Storage Target	1			
2 No of controller servers each should have minimum 16 Cores Intel Xeon 5th/AMD EPYC 3rd or higher generation CPU Cores with minimum base clock speed of 2.4 GHz or better. The processors Must have Native support of AVX256 instructions or better. It should be installed and configured as High Availability storage cluster using latest stable open ZFS according to the user requirements. Along with CPU specifications, the node should have the following configurations or better					
	CPU Details				
	Memory Details – 512 GB ECC RAM or better. Memory speed – Maximum memory speed supported by the quoted CPUs.				
	2 x 480 GB Enterprise SATA SSD configured in RAID 1 for latest stable Centos/Debian Operating System (dedicated to each server)				
	2 x 960 GB Enterprise 3 DWPD SAS NVMe SSD configured in RAID 1 for L2ARC (dedicated to each server)				
	2 x 480 GB Enterprise 3 DWPD SAS/NVMe SSD configured in RAID 1 for ZIL (dedicated to each server)				
	48 x 8 TB NL-SAS 7.2K RPM Hard drives configured in RAID Z2 (9D+2P) with maximum 11 Hard Drives per RAID group and remaining Hard drives should be configured as global hot spares. (common on JBOD Storage Target)				
	8 x 480 GB Enterprise 3 DWPD SAS SSD configured in RAID 1 mirror pairs for special vdevs. (common on JBOD Storage Target)				
	1 x Compatible HBA 12 Gbps or better SAS expander kit with its associated accessories to achieve active connections across controllers.				
	1 x 4U 60 Bay Dual controllers JBOD or better with Redundant Power Supply with management ports configured in high availability with both controller servers. JBOD form factor should not be more than 5U.				
	JBODs should have Ethernet-based enclosure management or equivalent, SES monitoring, Fan, PSU and temperature monitoring, etc.,				
	2 x 1 G Ethernet Ports				

	1 x IPMI 2.0 or equivalent with KVM and media over LAN features				
	Server Form factor - 2U or better full width server form factor with sliding rack mount kit and peripherals				
	Dual-Port 100GbE QSFP28 PCIe Gen4 Ethernet Adapter with RoCE v2, RDMA, SR-IOV and Linux driver support.				
	80 Plus platinum or better redundant power supply with IEC C13 to IEC C14 cables				
5	Network/Interconnect & Connectivity				
5.1	Rack mountable 48 Port unmanaged Gigabit switches with required cables for IPMI management with required peripheral for rack mounting.	1 No			
5.2	Compute backbone networking – 1 x 32-Port 100GbE Data Center fully non-blocking switch Ethernet Switch with QSFP28 ports, ONIE support, redundant PSUs and fans, supporting RoCE v2, PFC, ECN, DCB/DCBX, MLAG and 4 x 25G breakout per port, Jumbo Frames (≥ 9000 MTU) , VXLAN, RDMA traffic optimization and lossless Ethernet support	1 No			
5.3	Enterprise Network Operating System license/support for the above switch (OcNOS/Enterprise SONiC or equivalent) throughout the warranty period	1 No			
5.4	100GbE QSFP28 Passive Direct Attach Copper (DAC) Cable, suitable for compute network backbone connectivity, length as required (as per the bidder's proposed design), compatible with the proposed 100GbE switch and 100GbE network adapters supplied with the servers Note: 2 Nos of cable should be minimum 10 metres and it will be connected to the existing BeeGFS Storage Cluster's spine network.	As required			
6	KVM Display	1			
	1U Rack mountable 17" OSD with attached Keyboard & touchpad with USB with accessories to connect with the Primary Master node.				
7	Fully Automated System Provisioning	1			
	Operating System – Latest stable version of Rocky Linux				
	Clustering tool – openHPC/DevOps/equivalent opensource clustering tool kit				
	Scheduler – SLURM/Open PBS with accounting Scheduler configuration inputs has to be taken from the TIFR-H HPC Committee				

	Bidders should integrate the existing BeeGFS cluster and mount it's mount point on all nodes from the BeeGFS storage cluster's spine network.				
	Cluster management tools – Ganglia, PDSH, PDCP, Grafana, automated emails, automated monthly report generation, etc., TIFR-H HPC System Administrators will be providing inputs for the other required management tools and functionalities during installation.				
	Ticketing Tool – The bidder should install and configure OS Ticket or RT and integrate with their ticketing email for a dedicated local ticketing management.				
8	Software	1			
	Open Source Application Software list for installation : FFTW, P3DFFT, GERRIS,, LAMMPS, QUANTUM ESPRESSO, NAMD, GROMACS,CP2K, VASP, Gaussian, Amber etc., Scientific programs: Lapack, scalapack, Python, Numpy, SciPy, Setuptools, IPython, pythonde, python numpy, python matplotlib, python tk, python lxml, PyReadline, MDAnalysis. Editors: Vim, Gvim, GNU plot, NTPD, GRACE, BC, VMD, Perl, etc., Compilers and Libraries: OpenMP, MPI, C/C++ and FORTRAN compilers, gsl libraries should be installed. Note - Commercial software mentioned in the list will be provided by TIFR-H.				
9	Warranty, Support, Terms & Conditions	1			
9.1	Comprehensive onsite hardware and software warranty for 3 Years	1			
	If TIFR-H requests for OS/software upgrade due to their functionality requirement, the bidder/OEM should reinstall/Upgrade the OS and clustering tools and benchmark the cluster and re-commission the HPCC at any point of time during the warranty period at no cost to purchaser.				
	Training for general system administration with documentation including tasks such as user/node management, installation/upgrade, queuing system management and file system management.				
	The OEM/Bidder should have L2/L3 level service engineers in the relevant field of quoted item. Engineer should have experience and complete knowledge of HPC hardware and software used by the users mentioned in the document and he should be able to provide support to the users (8.00 AM to 5.00 PM, 6 Days a week) remotely and Next Business Day (NBD) onsite hardware support.				
	Vendor/OEM engineer should visit TIFR-H every 120 days and carry out proper hardware & software health check of HPC cluster and submit report of the				

	same to the IT in-charge.				
	Bidders will be responsible to protect user data during any maintenance during the warranty period.				
	The OEM/Bidder should have a ticketing system with a dedicated helpdesk email account which is regularly monitored and it should be available to TIFR-H users.				
	An escalation matrix for issues not resolved by the support personnel, with an expected timeline, should be clearly mentioned.				
	The person should have enough experience to handle cluster hardware and software troubleshooting to resolve the problems faced by the users. This should include fine tuning of the scheduler's various capabilities.				
	The person should be able to produce required status report of the cluster when asked using the software installed in the cluster to manage it.				
	Faulty parts should be replaced by NBD (Next Business Day).				
9.2	Documentation				
	• User Creation/Deletion/Modification. • Bringing up and shutting down the cluster. • Disk status monitoring of Master/IO nodes and storage enclosure. • Basic troubleshooting for storage and job scheduler. • Step by step installation guide for node configuration from scratch. • When handing over the cluster the vendor should provide the full design of the cluster installation including the electric connections, network connections, user manual clearly explaining how to use the cluster.				
9.3	Terms and conditions:				
	Any item not specifically mentioned in the specification but is required for successful implementation of the HPC solution (in the opinion of the vendor) must be brought to our notice and quoted accordingly.				
	The entire solution should fit in a 19" standard IT Rack.				
	At the time of installation, if it is found that some additional hardware or software items are required to meet the operational requirement of the configuration, but not included in the vendor's original list of deliverables, the vendor shall supply such items to ensure the completeness of the configuration at no extra cost.				
	The vendor immediately after the award of the work shall prepare a detailed plan of installation as proposed to be followed by placement of the equipment, etc.				
	All vendors participating in this tender must visit the				

	TIFR-H site for a complete site survey and also meet with the TIFR-H IT team in the pre-bid meeting for detailed discussions and clarifications, if any.				
	The installation should be done by experienced and trained engineers for HPCC stack followed by comprehensive user training.				
	Installation and integration of all supplied hardware and software shall be done by the vendor. The vendor shall install and configure all required hardware and software suites, including but not limited to racking and stacking, Cluster networking, Configuring all nodes, Execution and submission of jobs, Installation of compilers (with flags for optimization) and applications, Configuration of environment variables and license utility configuration.				
	Entire installation should be done at the proposed site only. Remote control of network will not be given during installation.				
	Give all model numbers of master nodes, compute nodes, hybrid nodes, storage nodes, InfiniBand chassis switch model, Accelerator card details, maximum number of port in IB/OPA switch and how many ports populated. OEM part code of all the equipment / devices proposed should be provided with the technical bid.				
	Provide case logging procedure for both hardware and software failure.				
	OEM/Bidder is responsible for all performance benchmarks and the quote should contain an undertaking certifying the same from the OEM/Bidder.				
	As a part of acceptance test, TIFR-H team will check all the software mentioned above, for at least 3 days. TIFR-H teams will cross-check benchmarking and all other tests based on our input files in the fully offered solution.				
	All LAN cabling should be done on-site as per the length required using CAT6. Do not use factory crimped standard length CAT6 cables. All cabling should be done to provide efficient air circulation and should not block any air circulation behind the servers.				
	Please specify the heat dissipation (in BTU) and max power consumption of each component when configured with the above configuration. The bidder has to visit the installation site and provide the plan, cluster rack arrangement and cooling requirements for hosting the HPCC in the given place.				
	All the required CAT6 Patch cables should be branded (ISO/IEC 11801) and it should be molded cables. It should withstand the heat produced at the back of servers.				

	Supplier should have direct system integration (SI) with the OEM whose product the vendor is quoting for. The bidder should have a back-to-back agreement with the OEM to supply and support the OEM's product and solution in India.				
	Itemized price list of each hardware item, software bundle and service and warranty to be given separately and clearly.				
	TIFR-H requires that there be a Single Point of Contact (SPoC) directly from OEM who is responsible for all issues between TIFR-H and the OEM/partner who executes this project.				
	SLA of 98% of uptime within 24 hours reporting onsite, failing which penalty will be applicable based on deviation.				
	The bidder has to ensure that the solution proposed delivers an uptime of 98% of the entire system on a yearly basis and minimum of 92% on a monthly basis. Every percentage of uptime below 98% on a yearly basis will incur 0.1% of the total cost of this tender. In the event of failure of any of the subsystems or components of the proposed solution, the bidder has to ensure that the defects are rectified within two full working days. All these conditions need to be satisfied. Any delay in servicing node(s) beyond 3 days will incur a penalty of 0.2% of the total cost of this tender per day of delay. Any delay in storage or any of its subsystems not working beyond 24 hours will incur a penalty of 0.2% of the total cost of this tender for every completed 24 hours.				
	Bidder should provide complete documentation about the Rack layout, power, cooling and electrical infrastructure required at TIFR-H along with the technical bid.				
	Delivery period will be 16 weeks from the date of purchase order. Once delivered to onsite, the installation, commissioning and acceptance testing period will be within 4 weeks from the date of delivery of equipment. Delay in delivery will have penalty. TIFR-H reserves the right to cancel the order if it is not deployed even after that.				
	Delay due to TIFR-H will not be considered for computing penalty.				

NOTE:

*** The bidder should ensure to submit the following along with Technical Bid (Part - A)**

1. The bidder should attach the point-by-point technical specification provided in Annexure – A & C of the tender document (with additional remarks if any) along with the Technical Bid.
2. Bid Security / EMD (Earnest Money Deposit) as per tender.
3. Certificate of Local Content- Attachment of Annexure - D.
4. Audited Annual Turnover Certified by CA - Attachment of Annexure - E
5. Supplier Purchase Order details with copy document along with the bid Attachment of Annexure - F.
6. The suppliers/bidders should submit all the applicable list of documents/enclosures/annexures as mentioned in the tender along with the local content certificate filled form as per Annexure – D. The supplier should provide the local content details / local value addition details with the applicable value. TIFR Hyderabad reserves the right to reject any tender (or) all tenders if not submitted along with the documents/enclosures/annexures/certificate of local content.
7. Undertaking by the bidder as per Clause 12 of tender terms and conditions in letter head duly signed and stamped.
8. Undertaking for unconditional acceptance of tenders all terms and condition in letter head duly signed and stamped.

*** Price Bid/Finance Bid (Part - B) - As per Annexure – G.**

**TATA INSTITUTE OF FUNDAMENTAL RESEARCH
HYDERABAD
Plot No.36/P, Gopanpally Village, Serilingampally Mandal, Ranga Reddy
District. Hyderabad - 500 046, Telangana, India.**

(PURCHASE SECTION)

1. PART "A" (Technical Bid) consisting of Technical Bid with Commercial Terms and PART "B" (Financial Bid) consisting of only Price shall be submitted in separate sealed envelopes duly superscribed with the tender enquiry number, and the due date in bold letters, addressed to the Head, Administration & Finance, Tata Institute of Fundamental Research, Hyderabad, Plot No.36/P, Gopanpally Village, Serilingampally Mandal, Ranga Reddy District. Hyderabad-500 046, Telangana, India. The envelopes should be clearly marked on top as either PART "A" or PART "B".

The two sealed covers should be further put in a master cover superscribed with the Tender Enquiry No., Due Date in bold letters, addressed to the Head, Administration & Finance, Tata Institute of Fundamental Research, Hyderabad, Plot No.36/P, Gopanpally Village, Serilingampally Mandal, Ranga Reddy District. Hyderabad-500 046, Telangana, India. The sealed master envelop has to be delivered by hand/courier at the security Gate Office of TIFR Hyderabad on or before 13.00 hrs. on the due date specified. The technical bid will be opened at 15.00 hrs. on the due date at Purchase Section, TIFR, Hyderabad. Tenders submitted after 13.00 hrs. on due date will not be considered.

Note: All future corrigendum/addendum will be published in TIFR Hyderabad Website / CPPP

All prospective bidders are requested to visit our website regularly for any such updates/Corrigendum.

Pre- Bid meeting will be conducted through online. Bidders are requested to refer TIFR Hyderabad website tender page for pre-bid meeting zoom link. Bidder may also join the meeting on scheduled date and time at TIFR Hyderabad premises.

2. In case the PART "A" and Part "B" bids are not sealed in separate envelopes the tender will be rejected.

3. The technical bid should not contain any indication of the price. The bidder should take special care not to mention anything related to pricing and costing aspect of whatsoever nature. The technical bid should include/contain only technical specifications, technical literature, drawing, quantity, manufacturing and delivery schedule, mode and terms of payment, mode of dispatch, the quantum and percentage of statutory levies payable by the purchaser as extra and all related commercial terms and conditions for the supply and for the services like erection and commissioning to be rendered by the tenderer. The details of the validity of the tender should also be indicated along with the commercial details.

4. After scrutiny of Technical Bids, Financial bids of only those bidders who are shortlisted on technical basis will be opened at on later date. The opening date, time and venue will be intimated to the technically successful bidder.

5. All the bidders/contractors should provide Company Authorization Letter duly signed and stamped by Competent Authority to participate in the tender related meetings at TIFR Hyderabad.

6. Tender Document Fee:

Tender fee for Rs. 00/- (USD 00)

7. Bid Security / EMD (Earnest Money Deposit):

Earnest Money Deposit (EMD) for Rs. 5,00,000.00 in the form of D.D. in favor of "Tata Institute of Fundamental Research", payable at Hyderabad to be enclosed along with the technical Bid (Part - A).

The Bid Security may be accepted in the form of Bank Guarantee from any of the Commercial Banks (or) Fixed Deposit Receipt (FDR) (or) Banker's Cheque from any of the Commercial Banks (or) Insurance Surety Bonds.

The Bid security should remain valid for a period of 45 days beyond the final bid validity period.

EMD shall be interest free and it will be refunded to the unsuccessful bidder without any interest. EMD will be forfeited if the bidder withdraws or amend impairs or derogates from the tender in any respect. The technical bid received without payment of EMD/ documents for exemption of EMD shall be summarily rejected.

8. The Micro and Small Enterprises/Startups suppliers / bidders whose firms are registered with Ministry of MSME /DPIIT and having a valid certificate for claiming exemption as per privilege rules of Government of India are exempted from paying Tender Fee and EMD (Earnest Money Deposit).

9. 9.1 The invitation for bids is open to Original Manufactures (OEM)/Authorized Dealers/Authorized Distributors/Subsidiary Indian Company of the OEM/Indian Agent on behalf of the Foreign Manufacturer or Principals of the tendered equipment. The bidder must be legal entity having a Permanent Account Number (PAN), Certificate of Incorporation and valid GST Registration Certificate is to be submitted.

9.2 When a firm sends quotation for an item manufactured by some different company, the firm is also required to attach its quotation, the manufacturer's authorization certificate.

9.3 Indian Agent cannot represent two different foreign principles for the same item in one tender.

9.4 Equipment's must be of the most recent series/models incorporating the latest improvements in design.

9.5 That the Bidder will assume total responsibility for fault free operation of equipment, application software, if any, and maintenance during the warranty period and provide necessary maintenance services after warranty period if required.

9.6 Bidders who meet the criteria given above are subject to be disqualified, if they have made untrue or false representation in the forms, statements and attachments submitted in proof of the qualification requirements or have a record of poor performance, not properly completing the contract, inordinate delays in completion or financial failure , etc.

9.7 Any additional bid participation criteria/eligibility conditions etc. mentioned in the Technical Specifications sheet will also form part of the Qualification Requirements along with those mentioned in this.

9.8 Bidders should not be associated, or have been associated in the past, directly or indirectly, with a firm or any of its affiliates which have been engaged by the Purchaser to provide consulting services for the preparation of the design, specifications, and other documents to be used for the procurement of the goods to be purchased under this invitation of Bids.

10. Bidders who have not accepted the job/order awarded to them or withdrawn from the tender process OR whose EMD/Security deposit has been forfeited in the past, their bids will not be considered and treated as ineligible / disqualified.

11. Micro and Small Enterprises (MSEs):

Micro and Small Enterprises (MSE) must, along with their offer, provide proof of their being registered as MSE (indicating the terminal validity date of their registration) with any agency mentioned in the notification of the Ministry of Micro, Small and Medium Enterprises (Ministry of MSME).

The Micro and Small Enterprises (MSE) are exempted from payment of earnest money and tender fees subject to furnishing of relevant valid certificate for claiming exemption as per privilege rules of Government of India. Public procurement Policy (PPP) for MSEs Order, 2012 is meant for procurement of only goods produced and services rendered by MSEs However, Traders, Distributors, Sole agents, work contracts are excluded from the purview of the PPP for MSE Order 2012 as per Ministry of MSME.

The Micro and Small Enterprises (MSE) bidder should submit valid UDYAM Registration certificate by Ministry of Micro Small and Medium Enterprises (MSME). The Micro and Small Enterprises (MSE) bidders who fail to submit valid UDYAM Registration certificate shall not be able to avail the benefits available to MSEs as contained in Public Procurement Policy for MSEs Order 2012 issued by MSME and further applicable Notification / Rule amended from time to time.

12. Requirement from Bidders: Any bidder from a country which shares a land border with India will be eligible to bid in any procurement whether of goods, services (including consultancy services and non-consultancy services) or works (including turnkey projects) only if the bidder is registered with the Competent Authority as per order issued by the Government of India (Order No. F.No.6/18/2019-PPD dated 23rd July, 2020 and further applicable Notification / Rule amended from time to time).

"Bidder" means any person or firm or company, including any member of consortium or joint venture (that is an association of several persons, or firms or companies), every artificial Page 11 of 24 juridical person not falling in any of the descriptions of bidders stated herein before, including any agency branch or office controlled by such person, participating in a procurement process.

Necessary certificate/undertaking to be submitted.

13. Quotations must be valid for a period of 180 days from the date of opening the bid prescribed by the Purchaser. A bid valid for a shorter period may be rejected by the Purchaser as nonresponsive.

14. Tenders containing correction, overwriting will not be considered. Late or delayed/Unsolicited quotations/offers shall not be considered at all. These will be returned to the firms as it is. Post tender revisions/corrections shall also not be considered.

15. Tenderer should sign on all the pages of the technical bid and the price bid.

16. All future corrigendum will be published in TIFR Hyderabad website / CPPP only and no separate advertisement will be released for the same.

All prospective bidders are requested to visit our website regularly for any such updates / Corrigendum. The Purchaser reserves the right to reject the bids if the bids are submitted without taking into account these amendments/clarifications. In order to allow prospective bidders reasonable time in which to take the amendment into account in preparing their bids, the Purchaser, at its discretion, may extend the deadline for the submission of bids.

17. For Indigenous Items: Offer should be on FOR basis and mentioned separately using different table format showing all the applicable taxes/Duties like GST, Freight & Transportation charges and installation charges etc.

18. The price quoted for Import item must be on following basis:

- a. Ex-Work/factory duly packed airworthy/seaworthy and of international standard
- b. FOB/FCA
- c. CIF Hyderabad, Airport Port (all-inclusive i.e. Cost of Goods, Packing, Insurance, Inland transportation, freight etc.)

For local item /supply, offer should be on FOR basis (i.e. total landed cost for delivery at TIFR Hyderabad).

The dimension of the item (viz. H, W, L, weight etc.) shall be specifically stated and also mention whether the mode of shipping the item is Airworthiness / Seaworthiness or both. Accordingly the mode of shipment will be decided by TIFR Hyderabad.

Price must be quoted strictly in the Price Bid Format attached herewith as "Part –B" (Financial Bid).

19. Packing:

19.1 The Supplier shall provide packing of the Goods as is required to prevent their damage or deterioration during transit to their final destination as indicated in the Contract. The packing shall be sufficient to withstand, without limitation, rough handling during transit Page 12 of 24 and exposure to extreme temperatures, salt and precipitation during transit and open storage. Packing case size and weights shall take into consideration, where appropriate, the remoteness of the Goods' final destination and the absence of heavy handling facilities at all points in transit.

19.2 The packing, marking and documentation within and outside the packages shall comply strictly with such special requirements as shall be provided for in the Contract including additional requirements, if any and in any subsequent instructions ordered by the Purchaser.

19.3 Packing Instructions: Each package will be marked on three sides with proper paint/indelible ink, the following: (i) Item Nomenclature (ii) Order/Contract No. (iii) Country of Origin of Goods (iv) Supplier's Name and Address (v) Packing list reference number

20. Insurance:

20.1 The Goods supplied under the Contract shall be fully insured against loss or damage Incidental to manufacture or acquisition, transportation, storage and delivery.

20.2 For delivery of goods at the purchaser's premises, the insurance shall be obtained by the Supplier in an amount equal to 110% of the value of the goods from "Warehouse to warehouse" (Final destinations) on " All Risks" The Insurance shall be valid for a period of not less three months after installation and commissioning. However, in case of orders placed on EX-Works/FOB/FCA basis, the purchaser shall arrange insurance.

21. Delivery and Documents:

21.1 Delivery of the Goods shall be made by the Supplier in accordance with the terms specified by the Purchaser in the order within the period. The details of shipping and/or other documents to be furnished by the supplier are specified in 21.2.

21.2 Delivery period.

The delivery is to be strictly made as per the delivery schedule stated in the Purchase Order. The following documents are to be forwarded earlier to TIFR Hyderabad through email to purchasegroup@tifrh.res.in prior to 48 hours before dispatch of material.

- i) Supplier Invoice showing Purchase Order Number, goods' description, quantity, unit price, Total amount.
- ii) Packing List
- iii) Airway Bill/ Acknowledgement of receipt of goods from the consignee(s) by the Transport with item wise weight, unit of measurement, No of package, package size/Dimension
- iv) Insurance Certificate if applicable
- v) Manufacturer's / Supplier's warranty certificate.
- vi) Inspection Certificate issued by the nominated inspection agency, if any, and Certificate of Origin.
- vii) Country of Origin Certificate. (if applicable)
- viii) Product Catalogue/Brochure.

22. The Institute shall be under no obligation to accept the lowest or any other tender received in response to this tender notice and shall be entitled to reject any tender without assigning any reason whatsoever.

23. Order Acceptance: The successful bidder should submit acceptance of Purchase Order Immediately (within 15 days) from the date of issue of the Purchase Order failing which it shall be presumed that the vendor is not interested.

The Bidder should submitted the order acknowledgement, (details for opening L/C and documents if applicable) and documents if any to purchase section within 15 days from the date of issue of purchase order.

For Letter of Credit (L/C) payment, the Letter of Credit (L/C) will be opened as per purchase order terms and conditions only. The supplier should ensure to deliver and complete the installation as per purchase order terms and conditions within Letter of Credit (L/C) validity period. In case of any delay in supply or installation or submission of required documents by the supplier for Letter of Credit (L/C) payment, any applicable charges (LC amendment charges, Liquidated Damage Charges (LD) etc.) to be borne by the supplier only.

The Supplier should submit the invoice and packing list before dispatch of the material for confirmation of TIFR Hyderabad.

Any discrepancy like delay in supply/ short supply/delay in installation etc., TIFR Hyderabad has right not to process the payment in case of any such discrepancy.

24. **Performance Security:** The Successful bidder should deposit @ 5% of Purchase Order value as Performance Security. The Performance Security should be in the form of Demand Draft in favour of "Tata Institute of Fundamental Research" payable at Hyderabad from any of the Commercial Banks (or) Bank Guarantee from any of the Commercial Banks (or) Fixed Deposit Receipt (FDR) (or) Insurance Surety Bonds. The Performance Security @ 5% should be valid for a period of 60 days beyond the date of completion of all contractual obligations of the supplier including warranty period. In case Performance Security @ 5% is not provided, then 95% payment only would be released and balance after 60 days beyond the date of completion of all contractual obligations of the supplier including warranty period. Vendor should clearly mention their acceptance to this effect in their quote.

25. Payment Term:

Payment Terms for Import Item: Payment Term for Import Item: 80% payment shall be made through irrevocable Letter of Credit (L/C) against submission of clear and complete shipping documents and balance 20% of the amount shall be released through Bank Transfer (BT) after successful installation, acceptance of the equipment certified by TIFR Hyderabad and on submission of "Performance Security" for an amount equivalent to 5% of the Purchase Order Value.

Payment Terms for Local Supply Items: 100% payment shall be released after receipt of complete material as per purchase order in a single lot, successful installation and acceptance of the equipment certified by TIFR Hyderabad and on submission of "Performance Security" for an amount equivalent to 5% of the Purchase Order Value.

The Performance Security @ 5% should be valid for a period of 60 days beyond the date of completion of all contractual obligations of the supplier including warranty period.

26. In case of Letter of Credit (L/C) payment, the Letter of Credit (L/C) will be opened as per purchase order terms and conditions only. The supplier should ensure to deliver and complete the installation as per purchase order terms and conditions within Letter of Credit (L/C) validity period. In case of any delay in supply or installation or submission of required documents by the supplier for Letter of Credit (L/C) payment, any applicable charges to be borne by the supplier only. The Letter of Credit (L/C) amendment charges, Liquidated Damage charges (LD) if any due to delay of the supplier to be borne by the supplier only.

27. Partial shipment for foreign bids / Partial delivery of material for full INR bids will not be accepted by TIFR Hyderabad.

28. Pre Inspection Report: The successful bidder should submit the Pre Inspection Report / Manufacturer's Test Certificate with data sheet to TIFR Hyderabad before dispatch of the material at no extra cost to the purchaser. (If required by TIFR Hyderabad).

29. Repair / replacement if required any during the warranty period, necessary customs clearance charges / customs duty charges, freight charges for sending back the repair material to supplier and import freight charges of replacement should be borne by the supplier.

30. For Import cases: No Agency commission will be paid as per Govt. of India rules.

31. All bank charges outside India will be to supplier's account only.

32. Taxes: TIFR Hyderabad is a Public Funded Research Institute. The exemption of Customs Duty under the notification No. 51/96 dated 23.07.1996 and amended time to time will be applicable.

GST with effect from 01.07.2017 and amended time to time will be applicable. The applicable TDS / other charges if any as per GST rule will be deducted as per new GST regime.

TIFR Hyderabad GST NO: 36AAATT3951F2ZG

Deduction of Indian Income Tax Deduction at Source: The Deduction of Indian Income Tax Deduction at source (TDS) will be deducted as per IT Act. The taxes at the time of actual utilization of service etc. will be deducted if applicable any.

Supplier shall be entirely responsible for all taxes, duties, license fees, road permits, etc., incurred until delivery of the contracted Goods to the purchaser. However, GST in respect of the

transaction between the Purchaser and the Supplier shall be payable as agreed, if so stipulated in the order.

33. Delivery Period: Within 16 Weeks from the date of release of Purchase Order. The Material should be delivered in a single Lot. Part Shipment not permitted.

34. Installation & Commissioning Period: The Installation and Commissioning should be completed within 4 Weeks from the date of receipt of the material at TIFR Hyderabad.

35. Conversion to Single Currency: To facilitate evaluation and comparison, the Purchaser will convert all bid prices are payable to Indian Rupees established by any bank in India as notified in the Newspapers/banks website on the date of financial Bid Opening.

36. Evaluation & Comparison of Bids:

36.1 For the bids qualifying for the technical evaluation which have been found to be responsive the evaluation & comparison shall be made as under:

(i) Indigenous Offers: The final landed cost of purchase after all discounts, freight, forwarding, insurance (warehouse to warehouse), custom clearing charges taxes etc. shall be the basis of evaluation.

(ii) Imported Offers: The CIP/CIF price shall be the basis of evaluation (warehouse to warehouse basis)

(iii) Imported Vs. Indigenous Offers:

The final landed cost (ware house to ware house) of purchase taking into account, freight, forwarding, insurance, taxes etc. (CIF/CIP with custom duty, customs clearance charges, Bank/LC charges, transportation, delivery up to the site of installation at TIFR Hyderabad as per available records with TIFR Hyderabad for imported goods) shall be the basis of evaluation.

36.2 Conditional tenders/discounts etc. shall not be accepted. Rates quoted without attached conditions (viz. Discount saving linkages to quantity, payment terms etc.) will only be considered for evaluation purpose. Thus conditional discounted rates linked to quantities and prompt/advance payment etc., will be ignored for determining inter-se position. The Purchaser however reserves the right to use the discounted rate/rates considered workable and appropriate for counter offer to the successful tenderers.

37. Contacting the Purchaser: Any attempt by any Bidder to influence the Purchaser in its decisions on bid evaluation, bid comparison or contract award may result in rejection of the bid.

38. Purchaser's Right to Vary Quantities at Time of Award: The Purchaser reserves the right at the time of contract award to increase or decrease the quantity of goods and services originally specified in the schedule of Requirements without any change in unit price or other terms and conditions.

39. Purchaser's Right to Accept Any Bid and to Reject Any or All Bids.

39.1 The Purchaser reserves the right to accept or reject any bid, and to annul the bidding process and reject all bids at any time prior to award of contract without there by incurring any liability to the affected Bidder or bidders or any obligation to inform the affected Bidder or bidders of the grounds for the Purchaser's action.

39.2 Evidence regarding credibility of stable performance and maintenance service capability must be provided. The purchaser reserves the right to make judgment on this and reject bids that, in the purchaser's view, do not carry sufficient credibility for performance and/or service.

40. Training:

40.1 The Supplier is required to train designated Purchaser's technical and end user personnel to enable them to effectively operate the total equipment.

40.2 The training shall be initially carried out during installation & commissioning for operating and maintaining the system. The specific training on application shall also to be imparted by the supplier. The duration of such training need to be finalized with the end user of the equipment. The supplier has to provide complete training at site for operation (including trouble shooting) of the instrument.

40.3 In case any supplier is not willing to impart such training, the bid shall be treated as non-responsive.

40.4 Bidders, please provide the PAN No., Bank Details, email ID, Contact person details, GST No etc.

41. The Supplier shall arrange to ship the ordered materials within the mutually agreed delivery period mentioned in the order unless extended with/without penalty. Please mention the Delivery Period Clearly in the Bid, however effort to be taken to deliver the materials at the earliest.

In case of delay in supply on part of the supplier, a penalty @0.5% per week of order value will be charged for delayed period subject to a maximum of 5% order value.

If the delay in the shipment of the ordered materials attributable to the supplier exceeds agreed time period from the date of original agreed upon date of shipment and extended with/without penalty, the TIFR Hyderabad shall have the right to cancel the contract / purchase order and recover the liquidated damages from other dues of the party or by legal means. It will also affect the other/future business dealings with such suppliers.

The same rate of penalty shall be applicable for late installation of the equipment / instrument also.

42. Warranty: The supplier warrants that the Goods supplied under this contract are new, unused, of the most recent or current models and those they incorporate all recent improvements in design and materials, unless provided otherwise in the contract. The supplier further warrants that all Goods supplied under this contract shall have no defect arising from manufacturing, design, materials or workmanship (except when the design and /or materials is required by the

Purchaser's Specification) or from any act or omission of the supplier, that may develop under normal use of the supplied Goods in the conditions prevailing in the country of final destination. This warranty shall remain valid (As stated in technical specifications/standard warranty) after the Goods or any portion thereof as the case maybe, have been delivered, installed & commissioned and accepted at the final destination indicated in the contract.

Warranty period shall be (As stated in technical specifications/standard warranty) from date of successful installation of equipment. The Supplier shall, in addition, comply with the performance and/or consumption guarantees specified under the contract. If for reasons attributable to the Supplier, these guarantees are not attained in whole or in part, the Supplier's discretion shall apply making such changes, modifications, and/or additions to the Goods or any part thereof as may be necessary in order to attain the contractual guarantees specified in the contract at supplier own cost and expense and to carry out further performance tests.

If during the period of warranty any component or spare part is needed to be imported, all associated cost for replacement shall be borne by the supplier including the cost of customs duty, customs clearance charges etc.

43. Purchase Preference Policies.

i) The TIFR Hyderabad intends to give product reservation/purchase/price preference to local suppliers in line with current procurement policies of Govt. of India.

ii) For the above purpose, local supplier means a supplier or service provider whose product or service offered for procurement meets the minimum local content as prescribed in "Public Procurement (Preference to Make in India) order 2017 of GOI, Dept. of DIPP" (OM No. P-45021/2/2017-PP(BE-II) dated 04th June, 2020. Necessary certification for local content must be submitted by the prospective bidders strictly as per the Annexure - B attached with the tender document.

iii) Local content means the amount of value added in India which shall, unless otherwise prescribed by the Nodal Ministry, be the total value of the items procured (excluding net domestic indirect taxes) minus the value of imported content in the item (including all customs duties) as a proportion of the total value, in percent.

44. Bidders may provide the details of registration at Government e -Marketplace (GeM) product details, confirmation on the product availability (or) non-availability in GeM, registered bidder at GeM (or) not.

45. Micro and Small Enterprises (MSEs):

Micro and Small Enterprises (MSE) must, along with their offer, provide proof of their being registered as MSE (indicating the terminal validity date of their registration) with any agency mentioned in the notification of the Ministry of Micro, Small and Medium Enterprises (Ministry of MSME).

The Micro and Small Enterprises (MSE) are exempted from payment of earnest money and tender fees subject to furnishing of relevant valid certificate for claiming exemption as per privilege rules of Government of India. Public procurement Policy (PPP) for MSES Order, 2012 is meant for procurement of only goods produced and services rendered by MSEs. However, Traders, Distributors, Sole agents, work contracts are excluded from the purview of the PPP for MSE Order 2012 as per Ministry of MSME.

The Micro and Small Enterprises (MSE) bidder should submit valid UDYAM Registration certificate by Ministry of Micro Small and Medium Enterprises (MSME). The Micro and Small Enterprises (MSE) bidders who fail to submit valid UDYAM Registration certificate shall not be able to avail the benefits available to MSEs as contained in Public Procurement Policy for MSES Order 2012 issued by MSME and further applicable Notification / Rule amended from time to time.

46. COMMENCEMENT OF WARRANTY PERIOD: The warranty period of an item shall commence from the date of receipt of the item in good working condition and satisfactory installation /demonstration at the project site.

47. Specifications are basic essence of the product. It must be ensured that the offers must be strictly as per our specifications. At the same time it must be kept in mind that merely copying our specifications in the quotation shall not make the parties eligible for consideration of the quotation. A quotation has to be supported with the printed technical leaflet / literature of the quoted model of the item by the quoting party/manufacturer.

48. Supplier Integrity: The Supplier is responsible for and obliged to conduct all contracted activities in accordance with the Contract using state of the art methods and economic principles and exercising all means available to achieve the performance specified in the contract.

49. Force Majeure: The Supplier shall not be liable for forfeiture of its performance security, liquidated damages or termination for default, if and to the extent that, its delay in performance or other failure to perform its obligations under the Contract is the result of an event of Force Majeure. For purposes of this Clause, "Force Majeure" means an event beyond the control of Supplier and not involving the Supplier's fault or negligence and not foreseeable. Such events may include, but are not limited to, acts of the Purchaser either in its sovereign or contractual capacity, wars or revolutions, fires, floods, epidemics, quarantine restrictions, act of God and freight embargoes.

50. Termination for Default

50.1 The Purchaser may, without prejudice to any other remedy for breach of contract, by written notice of default sent to the Supplier, terminate the Contract in whole or part:

(i) If the Supplier fails to deliver any or all of the Goods within the period(s) specified in the order, or within any extension thereof granted by the Purchaser.

(ii) If the Supplier fails to perform any other obligation(s) under the Contract.

(iii) If the Supplier, in the judgment of the Purchaser has engaged in corrupt or fraudulent practices in competing for or in executing the Contract.

50.2 For the purpose of this Clause:

(i) "Corrupt practice" means the offering, giving, receiving or soliciting of gratification to influence the action of a public official(s) in the procurement process or in contract execution.

(ii) "Fraudulent practice" means a misrepresentation of facts in order to influence a procurement process or the execution of a contract to the detriment of the purchaser, and includes collusive practice among Bidders (prior to or after bid submission) designed to establish bid prices at artificial non-competitive levels and to deprive the purchaser of the benefits of free and open competition;"

51. Resolution of Disputes:

The Purchaser and the supplier shall make every effort to resolve amicably by direct informal negotiation any disagreement or dispute arising between them under or in connection with the contract.

If, after thirty (30) days from commencement of such informal negotiations, the Purchaser and the Supplier have been unable to resolve amicably a contractual dispute, either party may require that the dispute be referred for resolution to the formal mechanisms. These mechanisms may include, but are not limited to, conciliation mediated by a third party, adjudication in an agreed national (or) international forum, and national or international arbitration.

In case of Dispute or difference arising between the Purchaser and domestic supplier relating to any matter arising out of or connected with this agreement, such disputes or difference shall be settled in accordance with the Indian Arbitration & Conciliation Act,1996, the rules there under and any statutory modifications or re-enactments thereof shall apply to the arbitration proceedings. The dispute shall be referred to the Director TIFR Hyderabad and if he is unable or unwilling to act, to the sole arbitration of some other person appointed by him willing to act as such Arbitrator. The award of arbitrators appointed shall be final, conclusive and binding on all parties to this order.

In the case of dispute between the purchaser and Foreign Supplier, the dispute shall be settled by arbitration in accordance with provision of sub clause above. But if this is not acceptable to the supplier then the dispute shall be settled in accordance with provisions of UNCITRAL (United Nations Commission on International Trade Law) Arbitration Rules.

52. TIFR Hyderabad reserves the right to ask for or to provide any clarification, changes after the release of this tender. Any changes or clarifications provided by TIFR, Hyderabad maybe checked at TIFR Hyderabad website: <https://www.tifrh.res.in/tender>
