**INVITATION FOR APPLICATIONS/NOMINATIONS FOR THE POST OF  
CENTRE DIRECTOR, TIFR-Hyderabad**

1. Tata Institute of Fundamental Research (TIFR), an Autonomous Institute under the aegis of the Department of Atomic Energy (DAE), Government of India is also a Deemed University, mainly awarding degrees for doctoral programs. TIFR-Hyderabad is a Centre of the Tata Institute of Fundamental Research (TIFR).

2. TIFR Hyderabad currently hosts a vibrant research program with interdisciplinary components involving physics, chemistry and biology. The overall vision for TIFR-Hyderabad envisages significant growth in the research activities cutting across all traditional areas of science and involving both fundamental and applied aspects. Currently TIFR-Hyderabad is in the process of initiating the next phase of infrastructure at the Hyderabad campus, which would include about 40 new labs, classrooms, auditorium, student accommodation, and associated infrastructure.

3. The Institute invites applications/nominations from eminent academics/researchers/scientists with high academic achievement and substantial experience in any area of physics, chemistry, biology, mathematics, computer science and science education for the position of Centre Director, TIFR-Hyderabad, with a broad vision and appreciation for these areas to enable leadership. He/she is expected to provide academic leadership with overall responsibility for the progress and growth of the Centre. The Centre Director will have administrative control of the Campus and report to the Director, TIFR.

4. The position is at level 15 as per VII Pay Commission of Government of India. In the case of an exceptional candidate with sufficient seniority and experience in providing leadership, the position could be considered at level 16.

5. The selected candidate will be appointed on Direct Recruitment/Deputation/Contract Basis for a period of 5 years or till the age (60) of superannuation, unless granted extension. The applicant's age shall normally be no less than 45 years, and shall not be above 57 years as on April 01, 2023. In exceptional cases, the search-cum-selection committee may relax the age limit.

6. The Search-cum-Selection Committee will consider applications received in response to this advertisement as well as nominations received from eminent academic persons. The appointment will be based on the approval of the TIFR Council of Management.

### **Essential Qualifications**

7. The candidate should have a Doctorate Degree in the area of physics, chemistry, biology, mathematics, computer science or any other related interdisciplinary area and should be an outstanding scientist with high academic eminence both nationally and internationally and demonstrated administrative capabilities, and be willing to engage with science across the spectrum of research carried out at TIFR-Hyderabad.

### **Essential Experience**

8. For Direct Recruitment. At least 15 years of teaching/research experience in a recognized national / international universities / research institutes / corporate or industrial R&D Labs etc. in the domain areas of physics, chemistry, biology, mathematics, computer science or any other related interdisciplinary area as faculty / scientist. Research experience will also include research carried out during the post-doctoral work.

9. For Deputation / Contract. Scientists or Technologists working in the Central/State Governments/Universities/Recognized Research Institutions/Semi Government, Statutory or Autonomous Organisations in India, possessing the essential educational qualification and experience mentioned above and (i) holding analogous post or (ii) with 1 year regular service in level 14 or equivalent.

## **Application / Nomination process**

10. In the case of Direct Applications: Applicants should provide proven records of their experience as represented by publication. They should include a brief vision statement along with appropriate supportive materials, which will be examined and processed further by the Search Committee. Names of four eminent academics that have personal knowledge of the candidate should be included as references. The information in the enclosed format should be sent along with testimonials in support of qualifications and experience.

11. In the case of nominations. Eminent persons nominating a candidate may forward the candidate's nomination along with recommendations and documents in support of qualifications and experience.

## **General Information**

12. The tenure of the appointment will be for five years from the date of appointment or until **superannuation**, whichever is earlier.

13. The qualifications prescribed are the minimum requirement and these do not automatically make candidates eligible for an interview. Based on bio-data, screening will be conducted to shortlist candidates for interview. TIFR reserves its right to call only those candidates who are found eligible after screening for interview or for the selection process. Candidates called for interview will have to produce all relevant original documents in proof of details furnished in their applications at the time of interview. TIFR reserves the right not to fill up the post if it so decides.

14. Government strives to have a workforce that reflects gender balance, and women candidates are encouraged to apply.

15. If sent by post, the envelope containing the application / nomination must be superscribed with **“Application for the post of “Centre Director, TIFR-Hyderabad” and forwarded** to Chair, TIFR-Hyderabad Search Committee, **Director’s Office, Tata Institute of Fundamental Research, Homi Bhabha Road, Colaba, Mumbai – 400 005, India.** Or it may be sent through email to [tifrhsearch@tifr.res.in](mailto:tifrhsearch@tifr.res.in) . All applications/nominations must be received by **June 21, 2023**.

16. Corrigendum, if any, on this advertisement will be issued only on the Institute's website <http://www.tifr.res.in/positions>
